School Name:

Dear Sir/Madam,

I am writing to apply for the position of **Computer / IT Teacher** at your respected private school. I am currently a third-year Bachelor's degree student majoring in **Computer Science** at Samdech Preah Maha Sangharaja Bour Kry University.

I have teaching experience at Ponleu Vathana School and am currently working as an **Academic Affairs Officer** at Phnom Penh International Standard School. Through these roles, I have gained practical experience in teaching, lesson preparation, managing academic records, preparing report cards, and maintaining student discipline and moral behavior.

I am a responsible, patient, and hardworking individual who is passionate about education and technology. I enjoy helping students understand lessons clearly and encouraging them to develop good discipline, problem-solving skills, and positive attitudes toward learning. I am confident that my background in computer science and my teaching experience would allow me to contribute positively to your school.

I would welcome the opportunity to attend an interview and discuss how my skills and enthusiasm can support your school's educational goals. Thank you very much for your time and consideration.

Yours

sincerely,

Lai Chamroeun
